Mary also made the board aware that she was meeting with Sonia Hutchinson on 15th February and one of the agenda items is the Cumberland Community panels and the requirement for co-opted members to live within the panel areas. Following a brief discussion Mary said that she would get back to David, as Cumberland chair, once she has discussed the matter with Sonia.

7. Terms of reference for the Communication Group

Mary Bradley explained that in addition to the input into the website re-design there are two key pieces of work that the Communications task and finish group need to undertake following feedback from councils, namely developing two briefings "What is the role of Parish and Town councils" and "What CALC can do for you."

The terms of reference for the task and finish were agreed and as the group now only has two original members, who said they would re-join the Communications task and finish group it was also agreed that S. Hutchinson will contact Directors within Westmorland and Furness area to ask if one of them would like to join the group.

8. Policies - update M. Bradley

- i. Sickness Absence Management policy

Mary Bradley had been tasked to look at examples of policies in comparable organisations. She reported back that many organisations policies were in fact more generous than those being proposed and this was the median position. After some

discussion it was proposed to amend the policy to make it a rolling 12 months instead of a calendar 12 months but to leave the amounts relating to years served as in the document. This is to be implemented from 1/4/24 following discussion with staff.

ii Special Leave Policy

At the previous Board meeting, a request was made to allow more time for Directors to consider the content. As most of this is statutory provision it was more about the way CALC would apply and monitor. Directors voted unanimously to accept the policy as written. This is to be implemented follow discussion with staff.

Mary will attend the next staff meeting and ensure all issues have been addressed.
